@mooersemooi | 064 524 1490 | www.mooersemooi.co.za

the animals who teach us

The animals chosen for our latest catalogue are more than just beautiful creatures - they each carry a message that reflects identity, strength, and faith.

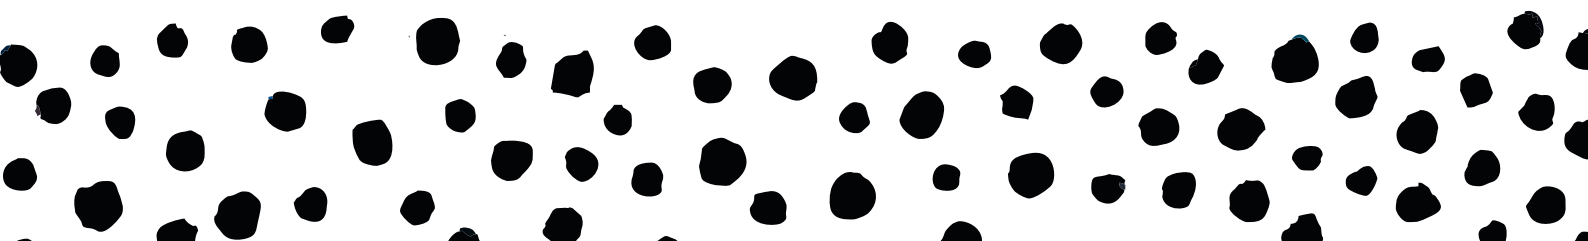

The Zebra reminds us that we are absolutely unique, created with distinct beauty and purpose.

The Leopard speaks our worth, echoing the truth that we are fearfully and wonderfully made.

The Cheetah represents inner power, clothed with strength and dignity in every step.

And the Giraffe, with it's graceful stature, encourages us to stand tall in our faith, while the mischievous monkey perched upon it's back - bold with red lips - remind us to embrace joy, confidence, and individuality in our journey.

Each piece is designed to inspire, uplift, and connect on a personal and spiritual level.
